1-1

Technical drawing of a circular component, likely a cross-section of a pipe or tube. The drawing shows concentric circles representing the inner and outer diameters. The area between the inner and outer circles is hatched with diagonal lines. A dashed line indicates the center of the circle. A dimension line with arrows is shown on the left, labeled '1'. A dimension line with arrows is shown on the right, labeled '1'. A label 'A' is placed near the bottom right, and a label 'B' is placed near the top right. The text 'COLL SUR' is visible on the right side.
